Welcome to the MARC Changing Place

Lots of people can find communication hard. Visual supports, like this chat board, can help people to understand or be understood by others more easily. This can help vulnerable people to be safer in our communities. Point to the picture of the word or message you want to say. Talk or sign at the same time if you can. Always give lots of time for the person to respond to you, and to give you their own messages. They might point or look at the pictures, or use all the other ways they communicate.

All Kids are Welcome at the MARC

Some children find it hard to talk. Some children find it hard to understand speech. Visual supports can help lots of children to understand and be understood better. In our creche, we point to pictures on communication boards like this one, and we also use Key Word Signs, when we talk to children in our care so that we can all learn to understand each other more easily. Please let us know if your child uses any other ways of communicating so we can best look after them.
