

# DDWA's FlexAble Gym Project

A letter board can help with communication break downs.

Point to the letters, numbers, words or phrases you need to help get your message across more easily.

|     |                         |                      |                                  |                  |                                        |   |                             |    |                |
