

Communication Disability, Access and Inclusion: Reflection and Planning Activity

State Government Department / Local Government area:

Focus area of the DAIP	What dept of your agency is most responsible for, or may know most about this?	Barriers you (and staff from that dept) can identify that people with CD may experience in this focus area.	Have people with CD been asked re barriers?	Any solutions already being put in place / trialled? If so, what and why?	Any quick win take-aways you could easily and quickly try to put in place?	Longer term actions to plan for?
1. People with Communication Disability (CD) have the same opportunities to access the Services and / or Events as other people			Y / N			
2. People with Communication Disability have the same opportunities to access Buildings and / or Facilities as other people			Y / N
