

Pool Fun Chat

Lots of people can find it hard to talk or hard to understand other people talking. Pointing to pictures when we chat is one way to help us all understand each other better. Point to the words you want to say, or the words you think the other person might be trying to tell you when you are having fun in the pool together.

what 	I, me, my, mine 	want 	look 	splash 	fast 	pool 
when 	you, your, yours 	like 	swim 	finished 	big 	water
