- # playgrounds
- # museums
- # libraries
- # Youth Centre
- # swimming centres and
- # sporting centres

What we do

- Why should the students know about the council

How we work

- Who do you work with?
- How do you make things happen?
- Is there any community involvement?

What about YOU?

A chance to ask the students what they want to see happen in their community.

Note: Councils have found this a good opportunity to provide them with feedback about the activities that young people would like to see in their local community.

What you can do now

- Include activities about what is available in your city
- E.g. library activities, swimming centres, youth groups, holiday programs, other youth services, food markets, dance groups etc

What you can do now

- You can provide examples of things that are currently available to young people.
- Great to include if a support worker can or cannot attend with the young person.

Why we do it

Why does your council provide these activities and opportunities for young people?
